PART VI

PUBLIC ADVERTISEMENTS

SRI KRISHNARAJENDRA SILVER JUBILEE TECHNOLOGICAL INSTITUTE, BANGALORE.

Notification dated 20th September 1938.

Scientific and Commercial Training in all the main branches of Textiles (Cotton, Silk and Wool) manufacture—weaving and hosiery—dyeing, bleaching, printing and finishing of textile fabrics will be imparted in this Institute to enable young men to organise and work small scale factories; to enter into business connected with textiles; or to occupy responsible positions in organized large scale textile industries.

The first session will commence on Monday the 10th October 1938. The number to be admitted will at present be restricted to 12. Candidates should have passed the Inter Science Examination with Mathematics, Physics and Chemistry as special subjects of the University of Mysore or any other examination accepted as its equivalent by the University of Mysore. Applicants should not be above 22 years of age (next birthday). Applications for admission should be in the prescribed form and they should reach the office of the Head of the Institute not later than 5 P.M. on Saturday the 1st October 1938. Copies of forms of application can be had from the office of the Institute.

The duration of the course of training of the Diploma Course of the Institute is one of three sessions at the Institute followed by a course of training in an approved factory or mill for a period of six months. Only those that satisfy the requirements of training, both in theory and practice, will be recommended for the Diploma of the Institute, either in Textile Manufacture (cotton, wool and silk weaving and hosiery) or Diploma in dyeing, bleaching, printing and finishing of textiles. The first year course will be common to all the students admitted to the Institute and students will be permitted to specialize in either of the two sections mentioned above, when they have successfully completed the first year course. The training imparted will enable the students to take the City and Guilds London Institute Examinations in the respective Textile subjects.

At present students will have to make their own arrangements for lodging and boarding. The question of providing Hostel facilities for the students of the Institute is, however, under consideration.
